Report of independent certified auditor on review of interim summary financial statements for the Shareholders and Supervisory Board of Prochem S.A.

Introduction

We have performed a review of the accompanying interim summary financial statements of Prochem S.A. ("the Company") with registered office in Warsaw at 95 Łopuszańska Street, consisting of:

- the statement of financial activities as at 30 June 2017;
- the profit and loss account for the period from 1 January 2017 to 30 June 2017;
- the total income statement for the period from 1 January 2017 to 30 June 2017;
- the statement of changes in equity for the period from 1 January 2017 to 30 June 2017;
- the cash flow statement for the period from 1 January 2017 to 30 June 2017;
- notes to the financial statements.

The entity's manager is responsible for the preparation and presentation of the interim summary financial statements pursuant to the International Accounting Standard No. 34 *Interim Financial Reporting* promulgated as regulations of the European Commission.

Our responsibility is to formulate a conclusion on the interim summary financial statements on the basis of our review.

Scope of the review

We have performed the review in accordance with the National Auditing Standard 2410 in the wording of the International Standard on Review Engagements 2410 *Review of interim financial information performed by the independent auditor of the entity*, adopted by Resolution No. 2783/52/2015 of the National Chamber of Certified Auditors of 10 February 2015 as amended.

The review of financial statements consists in directing enquiries mainly to persons responsible for financial and accounting matters, and in carrying out analytical and other review procedures.

The scope of the review is materially narrower compared to an audit carried out in accordance with the National Auditing Standards in the wording of the International Standards on Auditing, adopted by Resolution No. 2783/52/2015 of the National Chamber of Certified Auditors of 10 February 2015, as amended. For this reason, the review is not sufficient to acquire assurance that all material issues that would be identified during an audit have been disclosed. Therefore, we do not formulate an audit opinion on the accompanying interim summary financial statements.

Conclusion

Based on our review we conclude that we have identified nothing to suggest that the accompanying interim summary financial statements have not been prepared, in all material aspects, in compliance with the requirements of the International Accounting Standard No. 34 *Interim Financial Reporting* promulgated as regulations of the European Commission.

Supplementary explanations

Making no reservations, we wish to point to the issues presented in Notes 7 and 29 to the accompanying individual financial statements. Prochem S.A. recognized its receivables from PERN S.A. on account of security deposits of the book value of PLN 17,364 thousand, which are the subject matter of a litigation relating to settlement of a contract for construction of "Pipeline route ST-1 Adamowo-Baza Surowca Plebanka". The final outcome of the litigation is not known.
